District Governor's Message

Litany Defined - Long lists of the special attributes and venerations of saints.

Mary Kessens

As I have visited your clubs and heard your stories of good works, I've tried to keep a rough tally of your many wonderful projects and accomplishments. There are so many things to be thankful for and proud of in our district!

In my message this month I have created a litany of some special happenings in our district.

Please take a moment to [read my full report](#) and give proper recognition to the incredible club accomplishments, enhanced leadership training and greatness within our District!

WOW, What a Conference!

I would also like to thank our Conference Committee leaders led by Roxanne Brazeau as Conference Chair. Deb Dieter, Ann Kale, Dean Veneman, Mary Beth Growney-Selene, Bob Boelter, John Olsen and Toni Pabon were instrumental along with countless volunteers in making this year's event a success. Please [take a look at some of the images](#) from the conference.

And, The Rotary Year Isn't Over Yet.....

We still have two months left of our Rotary Year and I know many of you are still working on your club's membership growth and Rotary Foundation donation goals. Take time to review the [Monthly Membership and Attendance Report](#) on the website. The District Membership Committee asks that your club secretary provide an accurate membership number in the next two months as we strive to reach our goal of net one new member growth in each club. You may be hearing from the Membership Committee by email and phone as we strive to reach this goal by year end.

Also, take some time to review the [Club Foundation Goal Report](#). The District Foundation Committee would like to help you in accurately sending in any donations collected to date and helping your club achieve the Every Member Every Year Goal for donations to the Annual Programs Fund of The Rotary Foundation. We have collected 54% of our goal. We know that many clubs send in their contributions towards the end of the Rotary Year. Please consider sending in your collections as soon as possible so that we can track our collection successes. You may be hearing from The Foundation Committee members to learn of your progress. Remember that donations to the Rotary Foundation allow us to provide District Simplified Grants, Matching Grants and
