## District Governor's Message

### November is Rotary Foundation Month

Tom Marshall

The vast majority of my official Club visits are now complete and I am thrilled to be able to say that this was one of the very finest experiences that I have ever had in my life. It is so very exciting to be able to personally witness all of the wonderful activities that are going on in District 6250. Prior to becoming District Governor, I had no idea about the many outstanding happenings that occur every day in our Rotary world. We are certainly touching lives, in a very positive way, in our communities, our District and throughout the universe. Beyond any doubt whatsoever, we are MAKING DREAMS REAL for a lot of people. I would personally like to thank all of the Rotarians in District 6250 for their unbelievable efforts to make our world a better place in which to live.

We are over half way through October and approaching one of the most important months of the year. November is Rotary Foundation month and it is a time for all of us to review what we have done to support the International Rotary Foundation. It is a time for us to gather forces and contribute to the great cause of polio eradication. We must move forward with this effort and rid the world of this dreaded disease. As everyone knows, I have asked every Club to contribute a minimum of \$1000 to this worthy cause. I would expect that many Clubs will go far beyond that request. Thank you for doing that!

"Every Rotarian, Every Year" is a program that began a few years ago. I am asking each and every Rotarian in our District to contribute a minimum of \$100 to the International Foundation for the EREY effort. These dollars are not used only for polio eradication but also to satisfy the needs of the abundance of projects that we are involved in throughout the world! Please consider becoming involved with this wonderful program. The \$100 contribution breaks down to a mere .28 cents per day in a years time. I believe that all of us can afford that!

**Finally, I am certain that you have heard about the exciting MEMBERSHIP & FOUNDATION SEMINAR that will take place on Saturday, November 8th at the Glacial Lodge/Wilderness Resort in Wisconsin Dells.** Details can be found in this newsletter. This half-day Seminar is free of charge and even includes a free lunch! All of us will learn so very much! I want every Club in our District to send Rotarians to this event! Without question, it will be well worth their time!

Thanks for reading and continue to have a wonderful Rotary year!

Tom

## District News, Events and Announcements

### Annual Fall Conference for Membership and Foundation Set for November 8th

**Register now for this "don't miss" free conference in the Wisconsin Dells!** It will start Saturday November 8th at 8:00 am with registration and conclude with lunch so you should be done by 1:30.

This is a good opportunity for both club leaders and new members to learn how the Foundation works, how it has funds available for projects around the world as well as for District and all our 61 Clubs in the District. PDG Hal Keitel, District Foundation Chair will lead this part of the two part
