

District 6250's Virtual Ride to End Polio November 6, 2021, 8:30 am to 10:30 am 2021 Team Registration Form

Madison South Rotary is hosting an indoor cycling fund raiser at the Rocket Bicycle Studio located at 507 Bruce Street in Verona. For a nominal entry fee of \$50 per team, sixteen teams of two participants will ride their own road bikes (*) on a computer-generated course with each team member riding a forty-five-minute session. All participating riders will be expected to solicit lump sum contributions or per mile pledges for their team. Per mile pledges will be based on the total combined miles of the team's riders. The total number of miles ridden by the team multiplied by the per mile pledges along with any lump sum contributions will be the basis of calculating the team's total funds raised. To help with your fundraising, note that it is estimated that the total miles covered by teams during the ninety-minute ride will range between 20 to 30 miles.

All proceeds from this event, including any unspent portion of the entry fees, will go to Rotary International's End Polio Now efforts. Each participating team is responsible for soliciting, collecting and processing their own contributions and pledges to Rotary International. Information on how to readily accomplish this will be provided to all teams. Be sure to let your donors know that all funds raised are matched 2 to 1 by the Gates Foundation.

Team Name (if applicable)	
RIDER #1 - 8:30 start	Name:
	Email Address:
	Mobile Phone #:
	Rotary Club Name:
RIDER #2 - 9:30 start	Name:
