Any costs related to an early return home, or other unusual costs of the student, shall be incurred by the student’s parents. A major increase in airfares or other costs that could not be covered with Youth Exchange Committee reserve funds could possibly result in a small additional cost to each student, however this is extremely unlikely.

REFUND POLICY: A partial refund may be available for a student who drops out of the exchange program before departing for the hosting country and will be at the discretion of the District 6250 RYE Committee. Partial refunds will be based on when the student leaves the program and what expenses have been incurred to that point.
