

# Support for Ukraine

February – March – April 2022

# Humanitarian transport

Together with our Club Rotary Olsztyn and Food Bank in Olsztyn, we managed to organize and send humanitarian transports for Ukraine.

# Help on border and in Lviv

Some of our members went directly to the border with Ukraine to provide organizational help there. They also visited Lviv to learn about the most urgent needs.

# Support for our local refugees guests

Members of our club provide necessary help: organizing accommodation, equipment and food.

# Charity theatre show

On 14.03.2022 we organized a theatre show at Olsztyn Philharmonic. During the event several auctions of valuable items took place. We managed to collect 41 000 PLN, which we donated to support humanitarian aid for refugees from Ukraine and for our local project "Housing Simulator".

# Spending time together

Despite the difficult time, we try to spend time together. Nila Prytyla, President of [Rotary Club Zaporizhzhia Khortytsia](#), moved into Olsztyn now with her family and joins our Club meetings and activities.

# Easter baking together

Whenever we can, we try to integrate with our friends from Ukraine. One of the activities was joint baking of Easter cakes and cupcakes at Social Kitchen.
