LANGUAGE LEARNING

Pimsleur Language Notes

- Most important way to shorten the culture shock time period is to learn the language.
- Estimate is that it cuts the acculturation* period by 2-3 months.
- Students report that learning the language was the most important factor for their success and most report they wish they had done more.

* 1. assimilation to a different culture, typically the dominant one.

"the process of acculturation may impact both social and psychological well-being"

LANGUAGE LEARNING

Pimsleur Language App

- Not everyone has redeemed their voucher for Pimsleur
- Does anyone need help getting the app to work?
- Feedback on using the app?
- How do you like it?
- What don't you like?
